**Response to Missing Requirements**

Commissioner of Patents  
P.O. Box 1450  
Alexandria, VA 22313

Sir:

This is in response to the Notification of Missing Requirements mailed September 16, 2008. To complete this filing, we are now submitting:

- 1) English translation of the international application;
- 2) Marked-up copy of the substitute specification;
- 3) Clean copy of the substitute specification;
- 4) Preliminary Amendment; and
- 5) Executed Declaration and Power of Attorney.

Applicant would like to bring to the Office's attention that at the time of filing the application, applicant supplied a clean copy of the substitute specification and erroneously identified it on the 371 transmittal as the English translation. An accurate literal translation of the international application is enclosed. While the document previously submitted can be used as a clean substitute specification, please disregard the claims in that document in favor

of the enclosed preliminary amendment, which properly amends the claims. The substitute specification and the marked up copy of the substitute specification contain no new matter.

The \$130 translation surcharge and the \$130 declaration surcharge (total fees \$260) are being paid with this submission. If any further fees are required, please charge Deposit Account No. 13-3080.

Respectfully submitted,
